RE: Ronnie Kimble

Dear Mr. Hatfield:

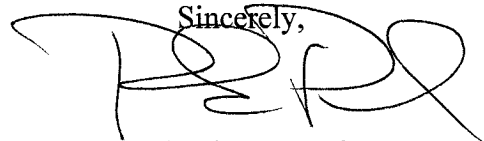

I am in receipt of your October 9, 1997 correspondence. Although dated October 9th, it was delivered on October 13th.

The statements contained in that letter, which are attributed to me, are incorrect.

Discovery of the items you requested, which is authorized under the statute, will be forthcoming.

I will contact the Guilford County Sheriff's Department and schedule a date and time that you can inspect the evidence and notify you of the date and time. Wednesday October 15, is not an available date. I cannot arrange that procedure on such short notice.

Sincerely,

Richard E. Panosh,
Assistant District Attorney
