RE: CLIENT - THEODORE MEAD KIMBLE
AND
SUBJECT - WILLIAM STEWART

Mr. Jamie Gales stated that he knew William Stewart (Nickname "Squirrel"). He knew him from Poke Youth Center-- met him in 1993. They were together about 5 to 6 months. He stated that William Stewart was a trip- he was a character. He never believed anything he said.

He later saw Stewart in 1998-- there at Troy Unit. He saw Stewart one day while they were walking in the yard-- that was the first time they saw each other there-- they spoke for a minute. He saw Stewart again about one week later. He said Stewart wanted some shoes and a radio -- so he could lay down- check off- then go home.

About two weeks later Stewart went into the hole - then Jamie said he had to go in the hole for something - they then got out and joined up with Ted Kimble in a cell block. Jamie said Ted Kimble would not talk to anybody - and every body knew William Stewart was crazy.

Jamie said he never talked to Ted Kimble. He saw Ted and William talking one time. He said Ted slept on the top bunk and William slept on the bottom bunk and so did he. Jamie said he liked to stay up at night and William would also stay up at night.

Jamie said at first he thought Ted was a homosexual-- but now knows he is not.

A man named "Sico" told Jamie that "Dude" on the top bunk was crazy-- meaning Ted. Then Stewart told him that Ted was crazy because he killed his wife.

Client - Theodore M. Kimble

Jamie said that one night Stewart told him that he was going to get that white man (Ted). He told him you better leave that dude alone. Stewart told him that Ted had a radio and a roll of stamps in his locker -- that he was going to get.

William Stewart told him that Ted had to go back to court for killing his wife. William Stewart told him (Jamie) that he was telling Ted Kimble that he (Stewart) was a hit man. He said that Ted didn't believe him but he was trying to get Ted to believe him - because he was trying to get Ted's money. He said that he had some papers of peoples names that Ted gave him-- that he was going to kill them. He (Jamie) said William was not going to kill anyone, just wanted to get out and get Ted's money. Jamie said he never saw Stewart with any kind of papers.

Jamie said Stewart told him that he was trying to convince Ted that he was a damn sniper and was trying to get out of prison to collect money-- but was not going to kill anybody. Stewart was going to Ted about what Stewart wanted to do--- Ted didn't go to Stewart. Jamie said he would tell what happened in court..

RE: CLIENT - THEODORE MEAD KIMBLE**AND****SUBJECT - WILLIAM STEWART**

Mr. Gary Durham stated that he was serving time for drugs and car hijacking in Eden, NC. He stated that he knew Ted Kimble from being there at Southern Correctional. Mr. Durham said that Ted had not tried to hire nobody to kill anybody. He said when Ted came there they put him in a block.

He said that Ted came from a good family and had a good life. He didn't know that the people in prison would do anything or say anything for a cigarette or phone call. He said that Ted's parents would come to see him and give him food and money— so they (inmates) would try to get in with Ted.

He said he (Gary) was in the same block with William Stewart. He said Ted asked him of his opinion of William Stewart. He told Ted he (Stewart) was out for what he could get from him -- he was trash.

Ted told him that Stewart was going to help him. Gary asked how is he going to help you? Ted said William was going to get out of prison soon and he offered to talk to some of the witnesses. Gary told Ted if Stewart went near any of the witnesses in a case against you it would make you look bad. Gary said he told William Stewart that he was trying to use Ted to get money out of him. William told Gary that he needed to mind his own business— that was his response. He told William that he was not going to let him use Ted. He said anybody at Southern that tried to help Ted was placed in the hole (segregation).

Gary said one time they were coming back from church and he was behind Ted and William. He heard William tell Ted-- you know what I can do if you don't give me that money. Ted told Stewart that I don't have that money. William said he could go to the District Attorney. Gary said that William Stewart benefited from telling what he did on Ted Kimble. Gary said that this whole thing is bull shit from day one.

Mr. Durham said he knew about the plan to kill those people-- Ted came to him and told him Stewart made this plan. He said if Ted Kimble wanted people killed he felt that as close as he and Ted became -- Ted would have asked him to do something. William Stewart told Ted how the court Rooms were located in Greensboro and Ted scratched it off for him.

Mr. Durham told Ted if the witnesses would disappear your ass would be in trouble. Ted said - I don't want anybody hurt or killed.

Mr. Durham said William Stewart was a liar, leach, and not honest. He said William went to Ted and told him he was a hit man and if anybody wanted someone killed he was the man to do it. He said Ted might have given William a small amount of money. Ted gave him (Gary) two bucks one time. He said Ted got his money from his parents. Ted always had food. Ted was a Mom's boy.

Gary said he first thought Ted was a homosexual because Ted was quiet-- kept to himself-- didn't want any trouble-- and looked weak. He thought he might be-- but found that he was not.

He said he would come to court if it would help Ted.
