pool table - we speak

Sister-in-law brutally murdered
Bro works errand,

"Pulse pressure then to get
to his brother"

Specif facts:

Tool chest moved

finger to finger onto who did it.

Her car was seen near other
crime scene.

Her receipt - gotten gas & down

3-4 X insurance dates

Left house Aug. 1996 -
moved to Tyrone

Called on last & esp. ent.
in school about & was attending
Telephone

"to see if he wanted to attend
about school".

Wife knew who R/C was.

He planned to come at a
later date

1-24-97 He came

What her to compare -
lower -
arrange one phone -
proctor lab

He followed "us" to an hour
her & her wife

Investigate the school.

out to eat

"part was handing him"

Sitting at dinner table
my wife & his wife

After dinner - in car on way home -
He said he needed to talk -

"stranger in part"
struggled w/ pornography
and other things

Could to Mitch's house
Phone out -

"Rome told me he had
killed a rich - in - law"

"proud out of greed"

But was given to pay her to
do it

"Hard to recall the entire
conversation"

He was thinking of killing himself

What to do with the money.

"Blood money" from himself
in

Money would come from bank
Did not say when it
was coming from
Had not said it

"Do you think on less of her"?
Do you want me to leave"
Came to stay the night but
leave the next morning.

Wesley Did not want to
explain to her

On all went to bed &
I layed awake all
night.

Made me ^a literally "red" ^s

They were asked me if
he killed her rush on low -
I said "yes", I would
have to have them in

I called a relative
who had a howl gun

Talked to a close confidant
who was my partner at
the time

FALWELL

Interview by P+C in
Lowrey's office

Comp Lejeune - a/s I spoke
w/ the Lowrey - went to
see Ronnie

1-28-98 park stake

"He's not sure if he
did it - maybe it's just
a bad dream."

He told me he believed it
was his sister-in-law
to go to the noon crowd
die before other time,
no matter who did it."

Abe Roman said it was
a bad dream -

Roman said he would die
before he went to jail
he did not want to
get the elec chain
